Retreat on Manitoulin Island Oct 4 - 7, 2010

Spend 4 days and 3 nights with Chrissie Nash & Trudi Wiley of Quilters' Line on Lake Manitou's north end. Our accommodation consists of cozy, heated cabins supported by a splendid Lodge which houses our dining room, lounge, and workshop area with a large stone fireplace and a view of the lake. Cabins are shared; each participant has her own bed; all have decks overlooking the lake. Fine chefs will prepare a hot buffet breakfast and a full course supper each day (www.manitoulin.com/redlodge).

The project: We will be using Robert Kaufman's brand new *Tonga Treat* Batik strips to make the practical (15" x15" x3") and stunning "Bali Bag". [Click here for a sample photo.](#)
